Dear Quality Craft & Fine Artists,

July 27 & 28, 2019 held in high regard by many of the yearly tourist visitors and second home owners. This show features Wine Tasting by The Twain Harte Chamber of Commerce offering wines from at least 20 local wineries. The atmosphere at Twain Harte is uptempo, with the bustle of families & friends shopping in the crowded streets, energized by the music & street performers shows coming from the Main Stage all help make the festival a true pleasure for all who attend.

We always do our best to accommodate the needs you may have & to place you in a booth space which will lead you to have a successful selling experience. Twain Harte in July is high 80's to low 90's, with a cool breeze which often rolls through the fair since Twain Harte is at 3500 ft elevation.

IMPORTANT: Due to the steady decline in vendors and customers over the years, this will likely be the last year for our fine festivals. We thank you all from the bottoms of our hearts for all of the love you have put into your work to help us create these wonderful events.

Sonora Christmas Festival is to be held Nov 29, 30, & December 1, 2019.
